FSW WEEKLY · ARRIVALS & ANNOUNCEMENTS

# Edition #47/2026

**26 NOVEMBER 2026**

## Welcome to this week's FSW Weekly arrivals.

It's been another busy week of deliveries and announcements here, with fresh arrivals from some of the finest names in the hobby, forward production lists now reaching well into 2027, and collectors across Formula 1 and single-seaters, rallying, endurance and GT racing, touring cars, classics and road cars, along with the helmets worn by the sport's biggest names, continuing to be presented with an ever-widening choice of subjects, and our three features take us from the Barcelona shakedown to the Monte Carlo Rally and a turquoise and cream American classic.

On the collectors' front, this week's three featured releases span three very different corners of the sport. Spark's 1:43 McLaren MCL40 takes us to Lando Norris and his first outing with the number 1 on the car at the Barcelona shakedown, Ixo's 1:43 Ford Puma Rally1 recalls Armstrong and Byrne on the 2026 Monte Carlo Rally, and KK Scale's 1:18 Chevrolet Bel Air Impala Coupe celebrates the glamour of late-1950s American motoring. Together they take in Formula 1 testing, World Rally Championship action and classic American road cars.

**Our new website is live.** Every model in this edition links straight to its page on grandprixmodels.com – click any picture, title or button to view and order.
